

SPORTS PREMIUM FUNDING

The purpose of the Sports Premium is to fund improvements to the provision of Physical Education (P.E.) and sport for primary-aged pupils so that they develop healthy lifestyles. This funding is provided by various government departments, including Education, Health and Culture, and Media and Sport. The funding entitles our school to £8,000 plus an extra £5 per pupil aged 5 and over (at the time of the census in January of each academic year).
