Dear Parent/Carer,

School Meals (children in current Year 2)

Eating in school at lunchtime is a pleasurable experience with time spent sharing good food with peers and teachers.

Your child is currently entitled to free school meals under the Universal Free School Meals Scheme, however this will cease when your child moves into Year 3. If your child currently has school meals we hope they will continue with these in September at a cost of £1.70 per day in line with the agreed increase of locally maintained schools. We can take payments by standing order. If you would like to opt into this please follow the instructions on the attached letter, and return the reply slip to us.

To gauge how many current Year 2 children will be having school meals when they move into Year 3 in September, could you also please complete the tear off slip below and return it to the school office by Friday 19th July.

We encourage all parents/carers to allow their children to have a school meal, thus ensuring they are provided with a healthy and nutritious lunch. If your child currently has a packed lunch, perhaps you may consider trying school meals from September?
