

30th January 2020

Dear Parents/Carers,

The Year 3 pupils are currently taking part in the Tackling Health Programme delivered by Sale Sharks in school every Monday afternoon. As part of this programme, children participate in a rugby session and a healthy eating workshop.

During the final week of this programme children will be designing and making healthy wraps/sandwiches. We are asking for a £1 donation to put towards the cost of this activity, this will help to cover the cost of the ingredients. The children will be making these on Monday 10th February so we would ask if the £1 donation could be sent into school by **Friday 7th February** so that all the ingredients can be purchased in advance. Please send this donation into school in a named envelope.

Thank you for your continued support.

Mrs Kerry

Health and Wellbeing Lead
