

Dear Parent/Carer,

Year 4 Maths Lessons

In Year 4, we have made the decision to group children for their Maths lessons according to the level at which they are working.

While all lessons at Tonge Moor are delivered in a way which meets the needs of all children in a class, we feel that it would be beneficial to place children into one of three groups across the Year 4 team.

This will allow us to focus on addressing specific gaps in learning and promote challenge in a more bespoke way.

Each teaching group will continue to be carefully planned for and differentiated for those children in order to match the needs of all learners.

The additional adults that currently work in Year 4 will also work across the groups in order to give further support where necessary.

If you have any further questions, please do not hesitate to speak to your child's class teacher.

Thank you for your continued support.

Yours sincerely,

Mrs Govan, Mrs Lister, Mrs Patel

Year 4 Team
