

Friday, 11th December 2020

Dear Parent/Carer,

Remote Learning

While your child is self-isolating at home, we will continue to offer high quality education remotely. This provision will:

- use the current school curriculum sequence so that knowledge and skills are built incrementally
- deliver a broad and ambitious curriculum each day
- provide access to resources that are linked to the school's curriculum expectations
- be printed, where necessary, for pupils who do not have suitable online access
- allow interaction, assessment and feedback
- personalised to meet the needs of all learners including those with SEND
- match the programme of teaching that pupils would receive in school, including contact with a staff member where necessary

How can I access remote learning for my child?

Scenario 1: I do not have internet or a device for my child to use to complete their remote learning
Collect your home learning pack from school.
Scenario 2: I have internet access and a device for my child to use to complete their remote learning
<p>Step 1 : Visit your child's School Website:</p> <div style="text-align: center;">  <p>www.tongemooracademy.org</p> </div>
<p>Step 2: Select Remote Learning</p> <div style="text-align: center;">  </div>
<p>Step 3: Select your child's year group to access planning and resources to follow. Your child will also be invited to attend Live lessons via Teams, these lessons will also be recorded and will be uploaded to the Remote Learning section of the website. We will use Class Dojo and phone calls to interact with pupils from home. Pupils must upload their work each day so it can be seen by their teacher.</p>
