

Friday 25th September 2026

Dear Parents/Carers,

From **Monday 28th September 2026** we will be sending iPads home with our Year 3, Year 4, Year 5 and Year 6 pupils.

We believe that integrating technology into our curriculum will provide our students with valuable skills and knowledge that will be essential for their future success. The 1-1 iPad initiative allows us to personalise learning experiences, offer interactive and engaging educational resources, and provide opportunities for collaboration and creativity. Furthermore, we recognise the importance of digital literacy and responsible use of technology.

For pupils to be able to take their iPads home, we need you and your child to read through the Acceptable iPad Use Policy and sign the acknowledgment below. The policy has been emailed to you via MCAS.

A paper copy of this letter will be sent home with your child for you to sign and return to your child's class teacher. Once this has been received, your child will then be able to bring home their iPad.

I acknowledge that I have read, understood and agree to comply with the AIU Policy and will support my child to look after their iPad and follow the rules set out in the policy.

Signed: **(Parent/ Carer)**

I understand that my child's iPad remains the property of the school, and that if any of the equipment provided by school is damaged or lost then I will be charged for any necessary repairs or replacements. A list of costs can be found on the AIU Policy.

Signed: **(Parent/ Carer)**

Child's name: Class:

Date:

Thank you for your ongoing support.

Kind Regards,

Mrs Durrani

Assistant Head of Years 5 & 6
