

School Council
Tie Designing
Competition

At Tonge Moor , we have
changed our school logo. We
want our new logo to feature
on our uniform so we have been
gathering ideas on how we
could do this, but...
we need your help!

We are going to put our new logo on our jumpers, that was the easy part! When you get into Year 6, you will start to wear a tie, this is where we need your help. We want you to design a new school tie that features our school logo.

We would like to keep our tie purple
to match our jumpers but how
could we include our new logo??
We need you to design a new tie for
us. The winning design will help us
to create a brand new tie! How
exciting!!

Here is our new school logo
