

Friday 24th September

Dear Parent/Carer,

Breakfast Club

Our Breakfast Club has always been extremely popular with both pupils and parents and we are extremely proud to be able to offer this service. At present, our Breakfast Club is running at capacity. Despite this, we are still receiving many enquiries for places and we have an extensive waiting list in place. Children who attend breakfast club are provided with a healthy breakfast to set them up for a busy day at school, which includes: cereal, toast, yoghurt and fruit. They also have access to a range of activities, games and crafts.

We want to ensure we can meet the demand for places and are looking into possible solutions. In order to extend the number of places on offer we may need to introduce a charge to cover the cost of additional staff, food and resources.

Initially we are writing to gather information about the potential demand for breakfast club. If you could please take the time to complete a short questionnaire via the following link it would be greatly appreciated. This will help us with our future Breakfast Club planning and ensure we meet the demand in the best way we possibly can. Please complete the short questionnaire below by **Wednesday 29th September**.

Please note that there will be no immediate changes to breakfast club, pupils that currently attend will continue to do so as normal.

Thank you in advance,

Yours sincerely,
