Maths Workshop for Parents and Carers

Dear Parents/Carers,

As a school we are committed to working alongside parents and carers, therefore we are writing to invite you to our Maths workshops. These will help parents develop a greater understanding as to what Maths looks like at Tonge Moor. We also hope to provide support and advice about how parents can help their children to consolidate their understanding of real life maths at home as well as in school.

The workshops will take place on **Wednesday 24th November (EYFS/KS1) and Thursday 25th November (KS2) at 3:30pm**. The workshop will last for approximately 30 minutes. Please feel free to bring your children along with you, they will be supervised in an alternative classroom whilst you attend the workshop.

Please click on the link below to book your place.

Thank you for your continued support.

Yours sincerely,

The Maths Team
