Dear Parents/Carers,

6M Class Assembly

Due to the new COVID restrictions, 6M are not permitted to perform their class assembly in front of parents/carers. However, due to the children working hard on their production, we would like to film it for parents/carers to enjoy. Below, please find a link to consent to whether you are happy for your child to be filmed, or if you wish for them not to take part.

Please note, the video link that you will be emailed once filmed will be sent to 6M's parent/carers only. It will also be a **private** link via YouTube that members of the public **will not** be able to view.

Thank you for your continued support,
