

Name of assessors: Nicola Whittaker, MAT leadership

Date: 30.11.21

Time: 1.30

**Area assessed: Tonge Moor Primary Academy**

**Description of task being assessed:** The assessment reflects the requirement by the Government to maintain social distancing wherever possible and ensure adequate hygiene practise is followed. This risk assessment rates the risk of close or frequent contact between **staff, Nursery, Reception, Year 1, Year 2, Year 3, Year 4, Year 5 and Year 6 pupils** returning to school occurring. **It cannot** assess the risks of contracting Covid-19 from this contact (or contact which occurs outside of school), or the risk of developing health complications from contracting Covid-19. Individuals will have to refer to government, medical and scientific guidance based on their own individual circumstances for this.

L= Likelihood of risk, C = consequence of risk , R = (L\*R) risk rating

Risk rating 0- 14 = low, 15 –24 = medium, 25+ = high

What is the hazard?	Who might be harmed?	How might people be harmed?	Existing risk control measures	Risk rating			Additional controls	New risk rating Residual			Action/monitored by whom?	Action/monitored by when?
