

Harvest Appeal

20th September 2022

Dear Parents and Carers,

No sooner does the new term start, then Harvest is upon us! The School has chosen to support 'Urban Outreach', a Bolton charity providing food and other essentials for households in crisis. A member of Urban Outreach will be coming to our Harvest Assembly to share with the children some of the fantastic things they do for children and families in and around our local area.

As part of our Harvest celebrations, Key Stage 1 and Key Stage 2 children will be taking part in live streamed lessons that will draw links between Harvest time and Science and Technology, enabling the children to understand exactly how food goes from field to fork!

Donations of various items listed in the attached document are requested, and it would be appreciated if you could refer to this list when purchasing your donations. Please send these to School on the morning of **Tuesday 27th September**. There will be a labelled box for each class for donations to be collected in.

Thank you for your support.

Yours sincerely,

Miss Norburn
Religious Education Lead
