Years 5 and 6 Roof Repair Work

Dear Parents/Carers,

I am writing to inform you that repair work on the Apartments building roof will begin on Monday 6th February. The key priority during this time is to ensure the safety of all whilst doing our very best to find ways to keep disruption to a minimum.

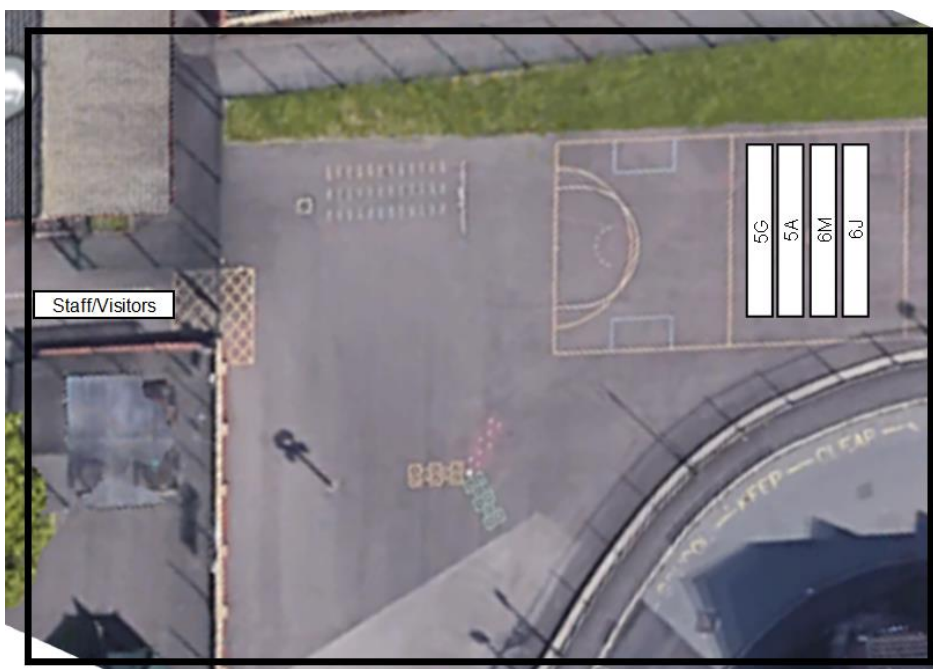

As a result of the repairs, we will be closing Stott Lane entrance. All children will need to use the main playground entrance on Brierwood to enter and exit the school.

Morning Arrangements:

Children to enter school via the Brierwood entrance between 8.45 and 9.00. Children to then make their own way to the playground between the Apartments building and The Villa (Year 1) where they will be greeted by their teacher. From there, teachers will lead the children up to class.

Afternoon Arrangements:

At the end of the day, please collect your Year 5 and/or Year 6 child(ren) from the designated collection point (see below) on the Brierwood playground, or if permission has been given, they can walk home.

Thank you for your continued support.

Miss Jennings

Assistant Head of Years 5 and 6

Headteacher: Mrs N. Whittaker

Tonge Moor Primary Academy, Brierwood, Bolton, BL2 2PF
